

Full Service Coordination

No detail is too big or too small for your big day. Our Full Coordination package offers you everything you need to ensure that your wedding is fabulous and as stress-free as possible. After an initial consultation to determine your vision, we'll help you design the perfect day from beginning to end. With this package we help you by recommending venues and vendors, negotiating contracts and attending to the most important details that all bride's shouldn't stress over.

Included in the Full Service Coordination Package:

- * Eight meetings planning sessions to stay on task and make sure that all plans are going accordingly
- * Customized budget assistance
- * Wedding design advice and execution
- * Venue and vendor research
- * Assistance with contract negotiation
- * Attending vendor interviews with you as required
- * Assistance with accommodations for out-of-town guests
- * Tracking/Assistance with R.S.V. P. guest list
- * Includes everything listed in our Day of Coordination package
